The History of Italian Cinema A Guide to Italian Film

July 15th, 2009 - Brunetta s passion for Italian film and his appetite for cinema more broadly is evident throughout this book however occasional proofing errors grate alongside sometimes rather odd expressions which at times are evidently the fault of infelicitous overly literal translation one sentence early on in the book begins at first glance of the whole but might also be down to the idiosyncratic style of Brunetta which has a tendency to become somewhat overblown
