November 16th, 2018 - The Leadership in the Public Sector LPS online degree completion program focuses on leadership in non market environments This program is ideal for community college transfers military personnel and their families as well as other adult learners

Articles on Leadership in the Public Sector - Success Stories

November 12th, 2018 - Over a two year period the Public Sector Consortium at the time known as the High Performing Federal Agencies Community of Practice developed a series of systems maps that illustrate the kinds of leadership dilemmas faced by public managers in a democratic society For example the need to show short term results for a new administration tends to reward command and control leadership styles and complicates efforts to define a clear mission for an agency

Leadership and Public Administration Oxford Research

November 12th, 2018 - Conversely public administration scholars have discovered the role of bureaucrats in the leadership process as important subfields of public administration To some considerable extent these reorientations in the political study of leadership and administration have been driven by empirical developments in the real world of leaders and administrators
