Ideas of Power in the Late Middle Ages 1296 1417

November 10th, 2018 - Ideas of Power is not a straightforward overview of the history of political thought in the later Middle Ages This is worth noting because the chapter structure and chronological approach which begins with the publicists of the reign of the French king Philip IV the Fair and ends with the conciliarists of the Great Schism mean it would be easy to misread this book
